## COMPANY PROFILE

Since its inception, **SPECIALIST & COMMERCIAL LOSS ADJUSTERS (Pty) Ltd** has been dedicated to providing Innovative, Ethical, Efficient, and Independent Loss Adjusting services to the short term Insurance Industry.

The organisation draws from over thirty years of Insurance and Adjusting experience, and operates with a dedicated team of professionals, who direct all their energy and resources to fulfill the diverse demands of the short term insurance market.

The company prides itself upon its proactive approach and ability to identify and respond to the changing needs of the Insurance and Adjusting Industries, and remains focused and steadfast to its core values of **Innovation, Integrity and Independence.**

The Company's Directors and senior staff members have all served on the boards of both the Southern Gauteng and National Executive Committee of the Institute of Loss Adjusters of Southern Africa during their tenure.

Our continued growth has seen the formation of diversified internal business divisions, to offer you - our valued clients - with extended service offerings.

Our team of professional adjusters embraces the key ideals of BEE and succession planning.

We hold tailor-made professional indemnity insurance of R30 million.

The array of skills provided includes, but is not limited to: Corporate, Commercial and General Insurance Claims Adjusting; and Specialist services such as Forensic Accounting, Auditing, Surveys, Liability, Mining, Engineering and Investigation Services.
